

## CANF Minutes

Monday 23<sup>rd</sup> September

Present online: Kelli, Christine, Ian, John, Mark

Apologies – Maureen C, Mike, Anne Louise, Niamh, Richard, Lucy, Anthony

- Heritage and green spaces update W/B 16<sup>th</sup> September – Heritage sessions went well. Filter suggested by Jo-Anne worked well, leaving us with much less to have to do. The community have identified 45 new heritage sites in addition to the ones identified by DCC, so the exercise was worthwhile.
- At the September Full Forum meeting – tables will be arranged in wards. People will sit at the ward that they have most knowledge of. They will write the description and find the image for the heritage sites that we have identified – with the potential of suggesting more if appropriate. This is in preparation of our formal application to DCC.
- Ian will provide the spreadsheet and there will be a specific format to follow. There will be a laptop on each table, where people can access the online GIS mapping systems.
- Kelli to prepare slides for September and send to CT

CT to contact Hilary to ensure early access to the hall to set up – 1pm.

It was decided that this would be the best way to engage the members and show them how we have developed the rationale and how it is being applied in preparation of the draft for DCC.

- Green Spaces workshops, Ian and Niamh, 24<sup>th</sup> and 25<sup>th</sup> September – to follow the same format as Heritage to identify the key sites/unidentified sites.

Funding for HNA and Design Codes has been approved:

- Design Codes AECOM - initial meeting is 30<sup>th</sup> September, 3pm – CT to share the link, Jo-Anne will also be present – and CM will have the link to call in if they are available.
- Housing Needs Assessment - AECOMN – initial meeting is 4<sup>th</sup> October 10.30-am – Teams call with CT and JG- all CM welcome to join if available – link will be shared

CT met with Roger and Steven to support them with the creation of a Forum and NP for Coundon and Leeholme – shared contacts and gave advice as requested by Stuart Carter at DCC.

CT to present at Shotley Village Trust Tuesday 24<sup>th</sup> September – information about the Forum and the NP

CT to present at Building Self-Belief AGM. Launch the Youth Manifesto developed based on the suggestions made by the CANF youth consultation.

Thank you to the committee for their commitment.
